DRAGGING CAN HAPPEN ON ANY FORUM

Draggings can vary in length, size, and severity

EXERCISE

- Reply in a chat with a time either someone you know has been dragged or you have been dragged
- Lets discuss ways we could have mitigated the dragging

PROBLEM

You have a poster of
your own self in your
room

SOLUTION

Either be self aware
enough to make fun
of yourself or don't
show the poster
while you are talking
to coworkers

CORE RECOMMENDATIONS

UNDERSTAND CONTEXT

Make sure you're paying attention to the context and tone of the chat!

BE SELF-AWARE

If you're self-aware it's much more difficult to get dragged

STEP UP, STEP BACK

Don't monopolize the group chat!
Doing so is a drag-worthy offense

DRAG AND THOU SHALT BE DRAGGED

You put a target on your back if you're the one always dragging others in the chat

HAVE AN OPEN MIND

Have an open mind about things that you don't know or are unfamiliar with

HAVE A SENSE OF HUMOR

Being able to poke fun at yourself is a great defense to being dragged
