

SOCIAL DISTANCING AGREEMENT

1. The following terms and conditions (collectively, these “Terms of Service”), shall govern your behavior during this pandemic. These Terms of Service and Social Distancing (as hereafter defined) apply to you and anyone you care about, anyone you don’t care about, and anyone you haven’t made up your mind about (collectively referred to as “Society”), whether encountering them via zoom, facetime, Instagram Live, or other technology, including running into them while getting groceries, now known or hereafter discovered, or not encountering them at all.

2. Social Distancing. The Red Cross defines Social Distancing as “deliberately increasing the physical space between people to avoid spreading illness.” Here are a few easy things you can do instead of unnecessarily spreading this virus like a jackass:

- a. Listen to and follow the directions of your state and local authorities;
- b. Stay home if you can and avoid any non-essential travel (this includes Pilates class);
- c. Keep at least six (6) feet away from other people if you must go out;
- d. Use drive-thru, pickup, or delivery options including contactless delivery;
- e. Avoid visiting nursing homes, retirement, or long-term care facilities even more than you usually do (your grandparents miss you);
- f. Stay connected with loved ones through video calls, phone calls, texts, or social media, send a nude to someone you ghosted.

The act of complying with the foregoing list shall be referred to herein as “Social Distancing.” You hereby acknowledge and agree that the guidelines related to Social Distancing herein are included as an illustrative example, and that the list is not, nor is it intended to be, exhaustive in nature.

3. Your failure to comply with Social Distancing shall result in an immediate breach of the Terms of Service, and (a) you shall no longer be allowed access to ScrubHub, (b) ScrubHub shall inform Society of your failure, (c) everyone who finds out, including but not limited to Society, will be ashamed of you in perpetuity, and (d) you will be at risk of contracting and spreading COVID-19, which is not dope. You are responsible for making all arrangements necessary to comply with Social Distancing and ensuring that all persons you are aware of are Social Distancing.

4. These Terms of Service, your use of ScrubHub, and the relationship between you and Society shall be governed by the court of public opinion, without regard to conflict of law rules. If the foregoing accurately reflects something you believe in, please sign the line below and display these Terms of Service prominently, and/or upload a photo of yourself to your Instagram story with the following caption: “I am taking the @ScrubHubtv Social Distancing Challenge.”
